Re: Michael Krichevsky, DIP, last SS# 7181
Chapter 11 Case Number: 1-19-43516-ess

Dear Judge Stong:

I am the Debtor in Possession in this case. I request an adjournment of July 1, 2021 hearing on my Rule 2004 motion and my other motions I need that the court consolidate into one hearing to avoid manifest injustice and violation of my constitutional right to fair trial.

The reason for my request as follows:

I am injured by Attorney Mawere (see attached) and under doctor's care;
I am exhausted and need a rest;
Opposing attorneys, no doubt, will oppose my motions and they need a time to reply, etc.

I propose, to adjourn all motions scheduled for July 1, 2021 to July 16, 2021, and July 16, 2021 hearing on motions in adversary proceeding and motion for relief from stay to a later date so that I heal my wrist.

I also propose to reschedule my Rule 2019 motion for sanction from July 22, 2021 to July 16, 2021 and consolidate it into one hearing for the same due process reasons stated above.

I did not contact all attorneys as I know they would not consent because they never play fair.

Sincerely,

/s/ Michael Krichevsky
